

**Call for abstracts** for the poster session at the 39<sup>th</sup> Scientific Symposium of the South African branch of the World's Poultry Science Association to be held in Pretoria, 7-8 March, 2023.

Abstracts will be accepted until the **6 Feb 2023**. Please e-mail them to Nicky Tyler [tyler@ukzn.ac.za](mailto:tyler@ukzn.ac.za). These will be considered by the organizing committee for notification of inclusion by the 10 Feb 2023.

Posters will be displayed at the Scientific Symposium on the 7-8 March, 2023, at the CSIR in Pretoria, and will be viewed during the tea and lunch breaks.

**Abstract Instructions:**

- Abstracts must be written in English
- Please submit a Microsoft Word document, saved as the corresponding author's surname
- The abstract should not exceed 2000 characters including spaces, authors and affiliations
- Set all margins at 2.5cm
- Use Calibri 11 font with single line spacing
- Abstracts should not contain pictures, diagrams, tables etc

Abstracts should include:

- a. Title in **bold** (flush left of page, using sentence case, ie initial capital letter, followed by lower case)
- b. Author(s) in **bold**. Authors should be listed consecutively as shown below by initials and last name. Please mark the **corresponding author** using an **asterisk**.
- c. Affiliation in **bold**. The **Affiliation** should be indicated with superscripted suffix Arabic numerals. Do not append degrees, professional designations, etc., to names.
- d. Followed by **email address** of corresponding author.
- e. Followed by the text of the abstract
